

WE DELIVER MORE THAN EXPECTED

ALMOST ANYWHERE ON EARTH

www.arrowfreightlinks.com

INTRODUCTION

Arrow Freight Links (AFL) is an internationally acclaimed comprehensive logistics solution provider for sea, air and land transportation. From a modest beginning, AFL has grown in strength, emerging as a globally leading integrated freight solutions provider. AFL strives to maintain a culture that stresses on nurturing relationships and providing enriching experiences. AFL strives to provide professional execution and hassle-free handling of all our customer needs and requirements.

COMPLEX LOGISTICS. SIMPLIFIED.

ABOUT US

Arrow Freight Links (AFL) began its journey on 1st January 2010, founded by the esteemed trio - Mr. Ather Anwer Al-Aqqad, Dr Azar Anwer Al-Aqqad and Mr Salim Abdul Khader. In the past decade, AFL has been able to establish an integrated and well-settled base network not only in the Kingdom of Saudi Arabia but also around the world.

At Arrow Freight Links, our team is well adapted to evolving based on the latest technology and ever-changing client needs. AFL, with its integrated approach, is on its way to becoming the top-notch and most trusted supply chain partner in Saudi Arabia. We guarantee our clients complete satisfaction by being the top transportation and logistics company with a strong position around the world including the Middle East, Far East, Africa, Europe And America.

Over the years at Arrow Freight Links, our team has strived to be the first choice for clients with complex and demanding logistics needs - enhancing scale, efficiency and quality client support around the clock. We assure our clients receive the best value services in all things logistics.

VISION

Through prompt communication and enhanced expertise, AFL promises to meet and exceed clients expectations of service.

MISSION

Our mission is to grow into a “Client First” Logistics Organization. We promise to exceed client expectations through quality and swift service, enhanced support and by meeting uniquely demanding logistic needs.

STRENGTH

Extensive industry knowledge and unshakable goodwill combined with more than 25 years of logistic experience make AFL an incomparable prospect for those looking for logistics services.
